**RE: Notification of staff change**

Dear Friends and Colleagues,

I trust that the first two months of the year have gone well. This is just a short note to inform you that the below member of staff does not work for Let's Go Travel anymore and any transactions made with him from today onwards are not sanctioned by Let's Go Travel.

**Joseph Wejuli Ogunyi**

Please note that this is with immediate effect. If you have been dealing with Joesph then you will be contacted by another Let's Go Travel consultant who will be able to continue to provide you the service you require.

If you have any queries about this please email [info@letsgosafari-ug.com](mailto:info@letsgosafari-ug.com)

Kind Regards

**Alfred Kamyamba**
